

Diocese of Covington
School Lunch Program

Dear Parents,

I hope this email finds you well. I am writing to update you on the progress of our transition to a new payment system, specifically its integration with our POS system, Mosaic.

We are excited to inform you that our new payment system, "MySchoolBucks," has been selected for integration with our POS system, Mosaic. MySchoolBucks is a user-friendly and efficient platform designed to simplify payment processing and improve the overall payment experience for our school community.

The integration of MySchoolBucks with our POS system, Mosaic, will offer several benefits, including:

1. **Seamless Transactions:** The integration between MySchoolBucks and Mosaic will enable seamless payment processing at our point of sale. This will provide a more efficient and streamlined experience for both staff and customers.
2. **Enhance Tracking and Reporting:** MySchoolBucks offers tracking and reporting capabilities, allowing real-time monitoring of payments. This feature will ensure accurate and up-to-date records, as well as providing valuable insights into payment trends.
3. **Convenient Payment Options:** With MySchoolBucks, parents will have access to various payments methods, such as online payments, mobile app payments, and automatic recurring payments. This flexibility will enhance convenience and accessibility for parents when making payments.

We are currently in the final stages of testing the interaction between MySchoolBucks and Mosaic. Once the testing phase is successfully completed, we will provide detailed instructions to parents on how to utilize the new payment system.

Rest assured; we are dedicated to ensuring a smooth transition. We understand the importance of a reliable and user-friendly payment system, and we are committed to providing the best possible experience for our school community.

Thank you for your cooperation and patience throughout this process. We look forward to introducing the enhanced payment system to our students, parents, and staff.
