

# HealthFORCE 2023

The Health Collaborative

*HealthFORCE Career Expo is an event to help high school students learn about career possibilities within healthcare.*

Let's dive into all the career possibilities within healthcare! This signature event of The Health Collaborative connects high school students in Greater Cincinnati to healthcare systems, health-based employers and organizations, AND colleges and universities with healthcare career programs. Basically, everything one needs to get started in the healthcare profession – we have it covered.

HealthFORCE 2023 is a must-attend gathering for students interested in exploring a future healthcare career, and for healthcare employees and organizations who are enthusiastic about attracting new talent to their professions. **Exhibitors and schools can participate in this event at no-cost, due to the generosity of our Presenting Sponsor, SW Ohio Tech Prep.**

**When:** October 4<sup>th</sup>, 2023  
**Where:** Great Wolf Lodge, 2501 Great Wolf Drive Mason, OH 45040  
**Times:** Session 1: 8.30 – 10.40 (arrive any time 8.30 or after)  
Session 2: 11.00 – 1.10 (arrive any time 11.30 or after)  
**Cost:** FREE

Each Session will include over 2 dozen exhibitors, multiple demonstrations, hands-on activities, giveaways, and a photo display.

We prefer students to NOT bring backpacks or large bags. Students can bring in a water bottle, but The Health Collaborative nor Great Wolf Lodge is responsible for any lost items. Water stations will be set up throughout the hallways for any students or teachers who need hydration throughout the event.
