

Oh She Built That

Building a Better World for Girls

We are a Northern Kentucky non-profit organization empowering girls and gender-expansive youth through a unique traveling woodshop program. Our mobile woodshop offers hands-on workshops, mentorship, and community engagement, fostering creativity, problem-solving skills, and self-confidence.

Oh She Built That

Program Opportunities

- After-School Programs
- Library Events
- Girl Scout Partnerships

We can tailor a program to fit your schedule and explore a variety of project builds that best serve your students and community.

Our programs include basic woodworking lessons and a variety of fun, hands-on activities focusing on self-confidence, resiliency, and more.

Girls and gender-expansive youth of the ages 9-18 are eligible for our programs.

Program Results

As a result of an Oh She Built That program:

- 89% students reported an increase in self-confidence
- 100% students reported feeling more comfortable taking risks
- 89% students feel more comfortable handling setbacks
- 100% of students would take another Oh She Built That Program

Data as of May 2023. Survey responses were voluntary and anonymous.
