SHDHS is asking ALL families to complete the FACTS Financial Aid application for the 24-25 School Year

The FACTS Financial Aid application opened on January 4, 2024. We are asking that all SHDHS families complete this application regardless of need. In doing so, you will help our school receive funding to help lower the cost of education for all students. Applicants can use 2022 Tax returns and 2023 W-2's. We ask that all families submit their applications by April 1, 2024. For those families that apply and qualify for financial aid, the first round of award notifications will be made on April 30, 2024. Applications must be completed and verified by April 1 to be considered for the first round of awards. [Please click here to apply](#). For questions, contact Connie Cornett at ccornett@shdhs.org.
