

Carrie Dwyer Williams was an amazing teacher, mom, wife, daughter, sister, friend, and person of faith. She exemplified what it means to be caring and putting your faith into action. Carrie was not only a St. Henry School and St. Henry District High School graduate, she was also a well respected, beloved, and admired teacher.

The Carrie Williams Memorial Scholarship was created by her family to honor her memory and her legacy of faith and education. This scholarship will provide funds to those who are passionate about their Catholic education and display their faith in action. We may also give special consideration to families with multiple children in the Catholic school system, those with financial need, or facing other challenges.
